Attention: Mr. M. J. Veneroso

Dept. C1-726 (52-11)

Materials Handling & Packaging Engineering

Gentlemen:

In response to your request bearing the reference number C1-726-86 for DOT Proper Shipping Names, we are pleased to provide the following information:

M 946 Item 1 - Pre-Etch Magnesium, MF Acid -- Corrosive Solid, NOS.

980-4 Item 2 - Alkaline Cleaner, Aldet -- Cleaning Compound Other Than Liquid.

Item 3 - Plater's Cleaner, F.S. -- Corrosive Solid NOS.

170 - Item 4 - Detergent, Aerowash A -- Cleaning Compound Liquid.

We are enclosing copies of Material Safety Data Sheets for the above items.

We are pleased to have had this opportunity to be of service, and if there is anything further which we may do to assist you, please do not hesitate to call upon us.

Very truly yours,

Clayton W. Bradley

Manager, Quality Assurance Chemical Specialties Business

WV Encls.
